WHERE YOUR **BRIGHT** FUTURE BEGINS

Dear Parents and Guardians

We are delighted to share the highlights of January at our school, where the preschool, primary, Middle & Highschool departments have accomplished significant milestones.

Our students successfully wrapped up Term 1 and conducted our quarter two assessments, ensuring a smooth academic progression for our beloved students.

As for our Middle and High schoolers, they have conducted their Mid-term examinations. Mid-terms and final exams in schools serve as an important assessment tool to measure students' learning outcomes and achievements at the end of an academic period. They provide a structured way for teachers to evaluate students' mastery of the material and for students to demonstrate their knowledge and skills. We wish all students the best of luck with their results. Your hard work and dedication throughout the term are greatly appreciated.

Spirit Week

Amidst the winter season, we transformed our preschool into a magical "Winter Wonderland," creating a joyous and enchanting atmosphere for our young learners.

The last week before the Term 1 break was nothing short of exciting during our Spirit Week. The preschoolers enthusiastically participated in various themed days, including Career Day, Pajama Day, Your Favorite Book Day, Favorite Color Day, and Sports Day. This allowed them to explore different aspects of their interests and express their creativity.

Star of the Week

Continuing with our tradition, we celebrated the "Star of the Week," recognizing individual achievements and fostering a positive and supportive classroom environment.

PRIMARY DEPARTMENT

In the primary department, January was filled with engaging and educational activities. Our Math Day was a great success, filled with hands-on math activities that made learning a fun and interactive experience for our students.

Career Day was celebrated with a delightful puppet show, and our students showcased their dreams and aspirations by dressing up in their dream job costumes. Additionally, students enjoyed a self-made brunch, fostering a sense of community as they shared their favorite foods with each other.

Movie Day brought laughter and entertainment to the primary students, providing a well-deserved break before the end of the term. As a heartwarming conclusion to January, our students crafted friendship cards and exchanged them, spreading kindness and strengthening the bonds among classmates.

Bake Sale:

In the Middle & High School Department, our Bake Sale was **EXTRAVAGANZA!** A delightful array of homemade sweets and goodies crafted with **LOVE**. We satisfied our sweet tooth and supported a great cause! All the proceedings were donated to the Palestinian Families in Gaza.

During this fundraising event, students had the opportunity to showcase their enthusiasm, energy, and commitment to making a positive impact in our community. It was an engaging and enjoyable event for all participants.

Lights, camera, action!

Our Movie Day was an UNFORGETTABLE cinematic experience! An uplifting finale to our wonderful school term, our students had a blast and enjoyed a day filled with laughter, excitement, and the magic of the big screen. It was also a fantastic opportunity for our students to relax and unwind with their fellows!

We appreciate the continuous support from our parents and guardians as we navigate through another successful month. Looking forward to more achievements and joyful moments in the upcoming months.

TRIVIA & FUN:

1. How long is an Olympic swimming pool (in meters)?
2. What countries made up the original Axis powers in World War II?
3. What is "cynophobia"?
4. What punctuation mark ends an imperative sentence?
5. Which country consumes the most chocolate per capita?
6. What is the most consumed manufactured drink in the world?
7. Which is the only edible food that never goes bad?
8. Who was the first female driver to score points in a Grand Prix?
