WHERE YOUR **BRIGHT** FUTURE BEGINS

Dear Brights Families

As we bid farewell to the month of February, we are excited to share the wonderful moments and achievements that unfolded within our preschool and primary departments.

Parent Conference Meeting

Our preschool, primary, middle, and high school departments came together for a fruitful Parent Conference Meeting to discuss the academic progress of our students as the first term concluded. It was an insightful session where parents and teachers collaborated to ensure the best possible learning environment for our young minds.

Celebrating the Hundred Days

In the spirit of learning and growing together, both our preschool and primary departments celebrated the Hundred Days milestone. This special occasion marked a hundred days of shared laughter, discoveries, and achievements, reinforcing the strong sense of community that defines BRIGHTS International.

Fundraising Campaign

Our fundraising campaign to support our Palestinian families in Gaza has been an incredible success! Our students have satisfied their sweet tooth and supported a great cause!

Thanks to “The Human Rights and Freedom and Humanitarian Aid Foundation” (IHH) for their unwavering support and for delivering our donations. Together, we are making a difference and transforming lives. With this significant milestone achieved, we are inspired to continue our efforts and make an even greater impact locally and globally.

Preschool Star of the Month

Continuing our tradition of acknowledging excellence, the preschool department proudly awarded the Star of the Month. This recognition highlights the exceptional efforts and positive contributions of a young star in our midst. Congratulations to our preschool Star of the Month for February!

PRIMARY DEPARTMENT ACHIEVEMENTS

Recognizing and applauding academic excellence, the primary department honored students who achieved outstanding results in the end-of-term assessments. These students received a Certificate of Recognition for their dedication and commitment to academic success. Additionally, we celebrated those who demonstrated significant improvement since their first day at BRIGHTS International School, underlining the importance of perseverance and growth.

CULTURAL DAY CELEBRATION

We have embarked on a journey around the world without leaving our premises! We're thrilled to announce that our Middle & High School Department has hosted a Cultural Day Celebration, a vibrant event where we celebrate the diverse cultures that make our community extraordinary.

This event was a colorful and engaging showcase of various traditions, cuisines, and performances from around the globe. It's an opportunity for us to come together, learn from one another, and celebrate the beauty of our differences. Let's celebrate diversity and unity together!

HERE'S TO MORE SHARED ACHIEVEMENTS AND MILESTONES IN THE COMING MONTHS!
