WHERE YOUR
BRIGHT
FUTURE BEGINS

Dear Parents and Guardians,

As we wrap up September, we are delighted to share the highlights of this busy and exciting month that marked the beginning of a new school year.

Professional Development and Preparation

We started the month with a series of “teachers’ professional development trainings”, equipping our educators with the latest strategies and tools to enhance our students’ learning experiences.

First Day of School

On “September 16th”, we proudly opened our doors for the first day of school. The excitement was palpable as students and staff began this new academic year filled with promise and potential.

Orientation Days & Back-to-School Essentials

During the first week of September, we held “three orientation days” where we distributed books, stationery, and uniforms. These days provided an excellent opportunity for students and parents to familiarize themselves with our school environment and routines.

“Awareness Campaign”: Food Waste and Loss

Later in the month, we conducted an awareness campaign to educate all our students about the significance of reducing food waste and loss. This initiative emphasized the importance of sustainable practices in our daily lives.

Preschool, Primary, Middle & High school Departments

World International Peace Day Celebration

In recognition of “World International Peace Day”, our students engaged in an impactful activity focused on the importance of peace and kindness. This initiative encouraged students to reflect on their role in fostering a more peaceful community.

On International Peace Day, Middle and High school students celebrated the importance of peace, unity, and understanding among nations and cultures. The day they emphasized the need for cooperation and harmony in the world.

Middle & High School Students Orientation

As we begin this exciting new school year, it's important to understand the rules and regulations that help keep our school a safe and productive environment for everyone. The Middle & High School department hosted an orientation to teach students the importance of following the rules of our school. Implementing these rules and regulations will contribute to a positive, respectful, and focused school environment where everyone can flourish and bloom.

Teacher Appreciation

To celebrate the successful completion of the first week of school, we organized a small gesture of appreciation for our teachers. Their dedication and hard work have been instrumental in creating a positive start to the academic year.

Thank you for your continued support and involvement in our school community. We look forward to what October has in store!

Stay Tuned for More ...!
