WHERE YOUR
BRIGHT
FUTURE BEGINS

Dear Parents and Guardians,

As February comes to an end, we are excited to share some of the wonderful moments our students experienced this month!

We successfully concluded our first term, marking a great milestone in our academic year. Shortly after, we jumped right into the excitement of our second term with engaging activities and learning experiences.

100th Day Celebration

Our preschoolers continue to thrive as they explore the educational centers. These little learners are growing and discovering more about the world around them each day, making every moment a delightful adventure.

100
DAYS
OF
SCHOOL

PAWESOME, PURR Show!

In science, we enjoyed welcoming the Cat Family as our special guests at school! The Cat's Family was an adorable show for our primary students! The show introduced them to family inheritance, helping them understand how traits like fur color, eye shape, and playful behaviors and characteristics are passed down from parents to their kittens.

With lots of meows, purrs, and fun facts, learning was both engaging and exciting! We all enjoyed this PAWESOME experience!

Academic Progress

Academically, our students have been working hard as they began their third quarter quizzes. We are proud of their dedication and effort as they continue their journey of learning and growth.

Winter Vacation

This month also brought a touch of winter magic! We took a short snow break, giving our students the chance to enjoy the snow, build snowmen, create snow angels, and have friendly snowball fights. It was a refreshing and joyful time for everyone!

Grade 12 Fundraising Event

Our Grade 12 Bake Sale was an absolute blast! From delicious pastries and cakes to mouthwatering pizzas, savories, and all sorts of sweet treats, we truly had a feast! Everyone indulged in the goodies, shared laughs, and most importantly, came together for a great cause. Whether big or small, every fundraising effort contributes to a greater good. A huge thank you to everyone who baked, bought, and supported our fundraising event. Your generosity will make a real difference for charity!

Stay Tuned for More ...!

Ramadan Donations

As the holy month of Ramadan approached, BRIGHTS was honored to embrace the spirit of compassion, generosity, and togetherness through our yearly "Donation drive" campaign. Ramadan is a time of reflection, unity, and giving, and we are committed to ensuring that families in need can celebrate with dignity and joy.

Thanks to the kindness of our donors, we are distributing essential food packages filled with staple items and other necessities to support underprivileged

families. For many, these simple acts of kindness mean the difference between an empty table and a shared meal with loved ones. It is more than just food, it is a message of hope, care, and unity.

* All goods were gathered at the school's reception and then collected by IHH the Humanitarian relief foundation. www.ihh.org.tr

Unlock Your Future with IELTS Preparation!

The English Department is delighted to offer IELTS preparation for our high school students, helping them gain the skills and confidence needed to excel in this internationally recognized English proficiency test. We seek to help our students develop advanced reading, writing, listening, and speaking skills. Achieving a strong IELTS score opens doors to numerous academic and professional opportunities.

Universities worldwide recognize IELTS as proof of English proficiency, making it a crucial requirement for admissions and scholarships. By preparing early, school students enhance their ability to write well-structured essays, comprehend complex texts, and articulate their thoughts confidently in spoken English—all essential skills for higher education and the workplace. Preparing for and taking the IELTS exam can provide high school students with valuable skills and opportunities that extend far beyond academics. Start preparing today!

As we move forward into the next month, we look forward to more exciting learning adventures. Thank you for your continuous support in making this school year a special one for our students.
