► March - Edition

WHERE YOUR
BRIGHT
FUTURE BEGINS

Dear Parents,

We are pleased to share with you some of the wonderful highlights and achievements that took place at Bright International School during the month of March.

Math Day

This month, our students showcased their enthusiasm and talents through a variety of engaging activities and events. One of the key highlights was our Math Day, held for students from Grade 1 to Grade 6. The event was filled with excitement as students participated in friendly competitions, demonstrating their problem-solving skills and love for mathematics. Winners were awarded prizes, making the day both rewarding and memorable for all.

Quran Competition

We were also proud to host our Quran Competition, which included students from Nursery all the way to Grade 12. This meaningful event allowed students to demonstrate their recitation and memorization skills. The competition reflected our students' dedication and commitment, and winners received valuable prizes in recognition of their efforts.

Abaya Day

In addition, the school celebrated Abaya Day, where students and staff came together to appreciate cultural values in a vibrant and respectful atmosphere. It was a joyful day that promoted unity and cultural awareness across the school community.

Awareness Sessions

As part of our ongoing commitment to student well-being, our Psychology Department led important awareness initiatives throughout the month. Sessions focused on anti-bullying and inclusion, helping students understand the importance of kindness, empathy, and respect for one another.

Ramadan Fundraising

During the holy month of Ramadan, our school students took part in a meaningful fundraising and donation initiative to support those in need within our community. Through the generous efforts of our students, families, teachers, and staff, a collection of essential goods was successfully gathered for the less fortunate. These donations were then delivered to IHH Humanitarian Relief Foundation to help ensure they reached families and individuals in need during this blessed month. We were incredibly proud of our students for demonstrating compassion, generosity, and a strong sense of social responsibility. This initiative reflected the true spirit of Ramadan — kindness, giving, and solidarity.

University Orientation

We were delighted to host a University Fair at our school, with the participation of these outstanding and prestigious universities here in Türkiye:

- Medipol Üniversitesi
- İstinye Üniversitesi
- Bahçeşehir Üniversitesi
- Gelişim Üniversitesi
- Özyeğin Üniversitesi
- Sabancı Üniversitesi
- Altınbaş Üniversitesi
- Arel Üniversitesi

Students from Grades 9 to 12 attended the event, where they actively interacted with university representatives, asked thoughtful questions, and gained valuable insights into their future academic journeys. Brights is where your future truly... begins!

Earthquake Drill

Our middle and high school students successfully participated in an earthquake drill as part of our ongoing commitment to school safety and preparedness. The drill was conducted smoothly, and students demonstrated responsibility, cooperation, and calmness throughout the process.

We were proud of the way our students and staff followed all safety procedures effectively, making the drill a great success. Such activities played an essential role in ensuring that everyone was well prepared to respond safely in the event of an emergency.

We sincerely thanked our students, teachers, and staff for their excellent cooperation and support in making this drill successful.

We are incredibly proud of our students for their active participation and positive spirit throughout these events. Thank you for your continued support in making our school community a nurturing and inspiring environment.

Volleyball Competition

Our school was proud to host an exciting volleyball competition between Brights and Asia School, where both teams demonstrated excellent sportsmanship, teamwork, and determination throughout the matches.

We were delighted to celebrate the outstanding achievement of our Brights girls' team, who secured a well-deserved victory against Asia School with their remarkable performance and team spirit. Congratulations to our talented students on this wonderful success.

We also extended our congratulations to the boys' team from Asia School for their victory over our team in a competitive and spirited match. Both games reflected the values of respect, perseverance, and healthy competition that we strive to promote through sports.

Well done to all players, coaches, and supporters for making this event a memorable success.

Thank you for being an essential part of our school community. We look forward to many more months of learning, growth, and shared achievements together.

Wishing everyone a wonderful start to the new year!
